# To the Press, Radio, and TV

This brochure is designed to assist in your coverage of the 1976-77 Wright State University basketball team. For information not found in this brochure, direct your requests to: Sports Information Office, Room 110, Physical Education Building, Wright State University, Dayton, Ohio 45431, or call area code 513/873-2771.

If you plan to cover a Wright State home game in the Physical Education Building, please take the following matters into consideration.

**Press Box:** Working space for writers and scouts is located on the floor opposite the team benches and scoring table. Working space for radio and television stations is located on the same side of the floor, but prior notice is necessary to set up adequate space. Your press credentials will be marked with the proper seat numbers when you receive them.

**Working Press Tickets:** All requests for working press tickets should be placed with the Sports Information Office. This includes requests from scouts. Requests received at least four days in advance of the game will be mailed. Requests for tickets thereafter will be held at the "Will Call" gate in the PE Building. Priority will be given to those writers requesting available space first. Newsmen will always be given preference over scouts if a shortage of space occurs.

**Working Radio and TV Tickets:** All requests for working radio or TV tickets should be placed with the Sports Information Office. Space will be assigned and tickets mailed after receipt of rights fees (if applicable) and completed contracts. Three tickets will be allotted for each station, but additional tickets may be obtained with prior permission. All telephone orders should be placed with the Sports Information Office.

**Important:** Nonworking guests are not allowed in the working press area.

**Photographers:** Still cameramen may work beneath either basket. Requests for floor

passes should be placed with the Sports Information Office. Motion picture cameramen needing platforms must make arrangements at least three weeks prior to the game.

**Parking Arrangements:** A parking area is reserved for press, radio-TV, and scouts immediately adjacent to the PE Building. Requests for parking passes should accompany requests for working press passes. When issued, the parking pass will indicate the appropriate lot in which space is reserved.

**Services:** Programs, line-ups, and game background information will be available in the press row prior to the game. At halftime, you will receive a play-by-play of the first half along with "quickie" stats. After the game, you will receive second half play-by-play and complete final statistics. Refreshments will be available in the press room located in the Athletic Department conference room. A Xerox telecopier will be available for use as time permits during and after the game.

**Your host** in the press box for the fourth year will be David Stahl, Sports Information Director at Wright State. Stahl joined the WSU staff in May 1973, after four years as Assistant Sports Information Director at the University of Toledo.

A native of Toledo, Ohio, Stahl holds a Bachelor of Arts degree from the University of Toledo. Besides his work at UT, he was a part-time sports writer for the *Toledo Blade* and spent six months as managing editor of *Sports Digest* of Toledo. In addition to his work in public relations, Stahl is a commercial pilot and a certified instrument flight instructor with a multi-engine rating.

Wright State's basketball program, written and edited by Stahl, has received an award as the nation's best twice and third best once among Division II schools over the past three years. He also was a member of the organizing committee under chairman Dave Young of Miami University for the 1976 CoSIDA Convention in Cincinnati.

# Director of Athletics

Don Mohr

Collegiate athletics are undergoing some major changes and even more are on the horizon. Economics is the major factor forcing many colleges and universities throughout the country to curtail their athletic programs.

Wright State is fortunate to have an athletic director who saw the "handwriting on the wall." When Don Mohr was planning the WSU athletic program, he included a women's program which equalled that of the men. Only one sport was to receive any grant-in-aid funds (basketball) and only small funds were available to wrestling and swimming.

These decisions formulated by Mohr and the WSU administration have put the Raider athletic program in much better financial shape than at other schools. Instead of having to cut back, WSU is able to continue its steady growth and improvement in the world of athletics.

Mohr has been associated with the world of sports since his days at Cincinnati North College Hill High School where he played football, baseball, and basketball for four years, and ran track for two years. His success in football and baseball brought many offers of athletic grants, but World War II ended all of that.

It was off to the Marine Corps and 40 months of service, including 22 months in the Pacific. While in the Marines, Mohr still found time to play baseball and football.

Immediately after the war, Don entered Miami University on a football grant, then transferred to the University of Cincinnati where he received a Bachelor of Science in Education degree in 1950.

His first coaching position was at Cincinnati Reading High School where he was assistant coach of football and basketball. He took over the head baseball job in 1951 and did scouting for the Los Angeles (then Brooklyn) Dodgers and Cincinnati Reds during the summer.

(His top baseball player in high school, Claude Osteen, signed with the Reds, and now coaches in the Philadelphia organization.)

He was appointed principal at Reading in 1956. He remained head baseball coach until 1963 and left Reading in 1965. While at Reading, he also received a Master of Education degree from Xavier University in 1961.

Then came the move to Wright State in 1966 as head of financial aid, placement, and the veterans office. He was asked to initiate an athletic program, which he did during the 1968-69 school year when he started a soccer team. In April, 1971, he was named Director of Athletics.

Since soccer started on campus, twelve other varsity sports, including five for women, have been started and soccer has been dropped temporarily. Mohr spent three seasons as baseball coach, later leaving the position to devote his time to his duties as athletic director and intramural director.

The man with the burly laugh proved his boundless energy with his involvement in the construction of the Physical Education Building, housing the university's first basketball court, as well as a swimming pool with a seating capacity of 500 and site of the 1977 Ohio AISW state meet.

Since Mohr's most important action of gaining admission for the school in the NCAA, WSU has competed in numerous championship events as a Division II member. Last year, every varsity sport eligible for NCAA competition was represented in post-season action. The Raider basketballers placed third in the Great Lakes Regional while the baseballers were second in the Midwest Regional for their second straight NCAA appearance.

When not busy with his work, Mohr can be found in his large garden at home, canning vegetables, brewing wine, or at the nearest fishing hole.

# Head Coach

Marcus Jackson

Starting his second year as head basketball coach at Wright State University is Marcus Jackson who came to WSU after spending one year as head coach at Dartmouth College. The appointment of the 35-year-old mentor marked the beginning of a new point in the history of Raider basketball.

Jackson is the second basketball coach in WSU's short history, taking over for John Ross, who resigned at the end of 1974-75 after posting a career record of 65-54. Jackson took a team that finished 4-22 at Dartmouth and led them to an 8-18 record. The Big Green of the Ivy League won the Kodak Classic, defeating Georgetown by one point in the title game. It was the first tournament win for Dartmouth since 1957.

Prior to accepting the head coaching position at Dartmouth, Jackson spent three years as head coach at Coe College in Cedar Rapids, Iowa. The NCAA Division II school compiled a three-year record of 56-14, including a 24-1 season in 1972-73 with a Midwest Regional championship in the NCAA tournament. His third-year team also participated in the NCAA as an at-large entry, the first ever given to a Midwest Conference school. The last two campaigns resulted in a 30-game regular season winning streak for the Kohawks. He also produced Coe's first all-America, Ed McFalls.

Last year Jackson took his third team to an NCAA basketball tournament and his first from Wright State. He led the team to its best season ever with a 20-8 record and a third place finish in the Great Lakes Regional in the NCAA Division II tournament at Evansville, Indiana. The Raiders lost the opening game to Evansville despite several key injuries and came back to defeat St. Joseph's in the consolation game. Bob Grote became the second all-America player coached by Jackson as he was an honorable mention by Associated Press. In his four years as a coach of Division II schools, Jackson has compiled an outstanding 76-22 record.

A native of South Bend, Indiana, where he graduated from Clay High School and was all-city in basketball and track, Jackson began his coaching career at St. Teresa Junior High in Huron, South Dakota. He returned to South Bend as an assistant at Central High School from 1966-70, where the varsity compiled a record of 55-9.

His last position as an assistant coach was at Baltimore Junior College in 1970-71. That squad finished with a 25-4 record and won the Maryland JUCO conference title.

Jackson received his Bachelor of Science degree from Huron College in 1966. His athletic endeavors included three letters in varsity basketball before entering the coaching profession. He continued his education with a Master of Science degree from Indiana University in 1970.

Jackson has already established himself as one of the bright young basketball minds in the country. He has authored several articles on basketball strategy for several national publications and appeared at the 1975 Basketball Coaches Clinic in San Diego during the NCAA Championships. His latest honor was being listed in the fourth edition of Men of Achievement, a comprehensive international publication which lists outstanding men at all levels. In addition to speaking at several summer camps, Jackson and his coaching staff conducted a Raider basketball camp which was very successful. The staff plans to make this a yearly camp.

Despite a heavy schedule of coaching and recruiting during the winter, Jackson still finds time to speak with numerous service organizations in the Dayton area. His ability to entertain a group with his smooth delivery keeps him high on the list of many groups seeking speakers about basketball. He is one of the more popular coaches with area media members because of his realization that basketball is for the fans and he must be available to answer their questions through the press corps.

# Assistant Coaches

**Jim Brown**  
**Jerry Holbrook**

Jim Brown is beginning his fifth year as Wright State's first full-time assistant basketball coach after spending two years as a part-time assistant under John Ross. He is the only holdover from the previous coaching staff.

Brown graduated from Dayton Belmont High School where he played for John Ross for one season. He was team captain his senior year and averaged 18 points per game en route to all-City honors.

Born in Farragut, Idaho, Jim attended the University of Dayton where he started on the freshman basketball team when Tom Blackburn was head coach. He earned a Bachelor of Science degree in 1966 and went directly into teaching in the Dayton area.

His first coaching experience came as a freshman coach at Belmont for one year. He also taught at Fairview High School and Longfellow Middle School.

The interest Brown holds for basketball comes as no surprise. His father coached high school basketball after serving in the Navy, and also played basketball at Ohio Northern University.

Jim was lured out of the Army to enter the coaching profession. He is still a captain in the Army Reserve. His tour of duty, which was concluded in 1970, included six months in Viet Nam. After completing his tour of duty, he finished work on his Master of Education degree at Xavier University in 1970.

Among the duties assigned to Brown this season is coaching the junior varsity squad for the third straight year. He also coordinates recruiting.

Jim and his wife, the former Rebecca Beaumont, have a two-year-old son, Matthew James.

Jerry Holbrook is starting his second year at Wright State as an assistant basketball coach after spending a year as an assistant at Dartmouth under Marcus Jackson.

A native of Waterloo, Iowa, where he graduated from East High School, Jerry lettered in basketball and baseball. As a senior, he earned all-conference honors on a team that finished with a 17-2 record under former Iowa all-America, Murray Weir.

After receiving his Bachelor of Arts degree in mathematics in 1963, Jerry stayed at Northern Iowa as a graduate assistant in both basketball and baseball. He earned his Master of Arts degree in physical education in 1965. His basketball coach, Norm Stewart, is now the head coach at the University of Missouri.

His first head coaching position was at Orange High School in Waterloo. After three years, he went to Bemidji State as an assistant coach in both basketball and baseball. He coached the junior varsity for two years and had an opportunity to coach the varsity for two games while the head coach was ill.

Jerry returned to Iowa and was head coach at Iowa Lakes Community College for two years where he compiled a record of 30-22. He then joined Jackson at Coe College in 1971 as a part-time assistant while teaching junior high in Cedar Rapids.

In 1974, Jerry moved with Jackson to Dartmouth. He coached the freshman team, made up primarily of walk-ons, to an 11-6 record.

Holbrook will serve as a varsity assistant at Wright State and will assist with recruiting duties and scouting assignments.

He and his wife, the former Suzette Templeton, have three children—Jerry, 12; John, 9; and Elizabeth, 7.

# 1976-77 Outlook

## 1975-76 in Review

This publication would not be complete without first looking at the best season in the history of Wright State basketball. First-year coach Marcus Jackson led the Raiders to their first 20-victory season (20-8) and their first trip to the NCAA Division II tournament.

The final victory was a special one for the Green and Gold. It was a 72-68 verdict over St. Joseph's (Ind.) in the consolation game of the NCAA Division II Great Lakes Regional at Evansville, Indiana. It meant the Raiders' first (of hopefully many) 20-victory seasons and first victory in an NCAA post-season tournament.

There were rewards for the victors. Bob Grote was an honorable mention all-America selection by Associated Press for the second straight year. He also was a third team Academic all-America selection while Steve Shook was an honorable mention. Grote was second team all-District IV as selected by the basketball coaches. Both Grote and Shook were named to the all-tournament team at the Great Lakes Regional. Grote finished 15th in the nation with a free throw percentage of 85.4 while the team was 10th with a mark of 75.0.

## '76-77 Preview

Wright State's most outstanding group of seniors is gone and with them nearly 67 percent of last season's scoring. They left as the top three scorers in WSU history—Lyle Falknor with 1,418 points and a 14.2 average last year, Bob Grote with 1,406 points and a team-leading 17.1 average, and Rick Martin with 1,182 points and an 11.8 average. In addition to the high-scoring trio, Steve Shook averaged 9.5 points per game and is eighth in career scoring with 413 points.

That leaves just one returning starter for Jackson to build around. Sophomore Bob Schaefer (6-7, 12.1 ppg.) is the only player returning who scored in double figures. He figures to be a leading candidate for a starting

berth at either the post or a wing. His 7.5 rebound average topped last year's squad and his 75.6 free throw percentage is the best of returning players.

Senior Curt Shellabarger, who will be the captain this season, got a starting call three times late in the season last year and he looks like a sure bet to start in the middle. At 6-7, he is the strongest of the WSU players in the middle.

Other lettermen returning include senior Neil Reif (6-4, 2.8 ppg.), who will swing between guard and the wing; junior Ken Millisor (6-7, 2.2 ppg.), who will play either the pivot or a wing; sophomore Alan McGee (6-1, 4.4 ppg.), who will be a point guard; and Dan Hugueley (6-8, 3.5 ppg.), who will play a wing.

Not in the last four years have newcomers played such an important role as they might this season. With the lack of experienced personnel returning, Jackson is looking for several of his new players to assert themselves in a starting role.

The first junior college transfers in the short seven-year history of WSU basketball were recruited for the 1976-77 season. Junior Mark Hall (6-4) comes from Navarro Junior College in Texas while sophomore Bob Pounds (6-5) spent one season at Lorain Community College here in Ohio. Freshmen on the roster are Joe Fitzpatrick (6-5) and Bill Wilson (6-2).

## By Position

The only player with any collegiate experience at the point guard is Al McGee who started in place of Martin in the final game.

One of McGee's biggest problems last year was his shot selection. While it improved as he gained experience, he still managed only a 41.0 field goal percentage. Freshman Bill Wilson will provide some stiff competition for McGee based on his high school background. However, the transition from high school to college is a big one and it may take time for him to gain the experience

needed to run an offense. Both Rick Zink and Rick Poole will provide depth, but again, their experience is minimal.

A key position this season is the second guard. Here again there are no experienced players able to step into a starting berth. Neil Reif has lettered as a second guard, but has not displayed the speed and quickness Jackson looks for in the position. Mark Hall is the other possibility along with Bob Cook. Hall has shown the best inside game during early practice sessions, but none of the three have stepped forward and shown more consistency on outside shooting than the others.

While there is not an abundance of experienced players back on the wing, the potential is there for some excellent players. Bob Schaefer, while not blessed with outstanding quickness or jumping ability, is an excellent shooter from the perimeter and has proven he can be a solid rebounder. He brings a full year of experience into his sophomore year, including valuable tournament exposure. Dan Huguey could be the most improved player on the team. His added height and strength could move him in as a starter. Other players pushing for a starting spot on the wing are Joe Fitzpatrick and Bob Pounds.

Along with the point guard, the pivot is a position of concern depth-wise. Shellabarger is a certainty to start and will match up well against most opposing centers. However, he will have problems against the big 6-10 type of player with good quickness. An area where Shellabarger must improve for WSU to be effective offensively is shooting. While he is a good percentage shooter, all too often last year he was looking for the pass rather than the shot.

It is behind Shellabarger where there are some problems. While Ken Millisor lettered last year, he has been hampered by numerous nagging injuries since entering WSU. The other pivot man is Guy Connors who has seen limited action with the varsity.

#### Overview

Shooting is the biggest question mark for this year's varsity. Last year WSU excelled in both field goal and free throw shooting. There are very few players who have proven their skills in these areas on the collegiate level. Better speed and quickness should make for a better defensive team, but only if the five players on the floor can form a cohesive unit.

For most games, rebounding should not be a major problem. The talent is available to provide WSU with adequate rebounding strength. However, there still is no bona fide big man in the Raider lineup.

#### As the Coach Sees It Major Strengths

"We look for our bench strength to be good this year. We will have better speed and quickness on this year's team and our rebounding could be better. For the team we had last year, we did a good job against most teams. But, we could do a better job on both ends of the court this season. I hope conditioning will be a strength again this year. We work hard during early practice sessions to have our players in good shape for the long haul. Another thing on our side is the ability to switch players to different positions on offense. This may hurt us defensively, but it will make our offense much more flexible against different opponents."

#### Major Weaknesses

"With only two seniors on the roster, inexperience will be a problem. The total aspect of leadership could cause some problems. This is not taking anything away from Curt, because he has shown he is willing to work at it and is doing an excellent job. But, once the game starts, you need more than one person involved. We had four players last year who provided the team with good direction. The other area of concern is shooting the ball with consistency. While we have the potential to be a good shooting team, experience is needed to be consistent. We are stressing the need for good discipline in shot selection, but that comes with maturity."

#### The System

More pressing defenses may be employed this season with quickness and a good bench available. Zone pressure may be used to control the tempo of the game more this season. He hopes the change his defenses more this season by throwing man-to-man presses, zone presses and a good half-court defense at opponents with an occasional zone.

Offensively, the coaching staff looks for a controlled fast break. When the opportunity is there, the fast break will result from a rebound or a turnover. When the fast break is not available, we will run a half-court pattern offense with all five players involved in the movement. Penetration to the basket is the goal each time down the floor, but good shots should not be passed up. Jackson feels all five players should be involved in the offense and that is why he has never had a player average 20 points per game during the season.

#### The Schedule

Awesome. That may be the best word to describe this year's 27-game slate. Eight opponents appeared in post-season tournaments last year and several others were in strong contention for a berth.

(Continued on page 7)

## Raiders in the News

One of the greatest advantages of being located in a metropolitan area such as Dayton is the news coverage from the press, radio and TV. All told, five daily newspapers cover the Raiders on a regular basis, plus several other daily and weekly papers give the Raiders occasional coverage.

The Dayton papers (the *Daily News*, circulation 150,220, Sunday circulation, 219,962) and the *Journal Herald* (circulation, 102,837) cover all WSU home games and most road contests. Other daily papers in the metro area include the *Fairborn Herald* (circulation 9,000); *Beavercreek News* (circulation 7,800); and the *Xenia Daily Gazette* (circulation 13,700). Covering the Raiders will be Harvey Shapiro of the *Daily News*, Leal Béattie of the *Journal Herald*, Woody Wilson and Tony D'Elia of the *Fairborn Herald*, Dave Stickel and Mark Pendleton of the *Beavercreek News* and Mike Ungard of the *Xenia Gazette*.

1976-77 will mark the second year WSU will have all of its basketball games, both home and away, broadcast on radio. Radio station WONE (Group One Broadcasting), which broadcasts with 5,000 watts 24 hours a day on 980 AM, will start its second season of carrying Raider basketball on the first year of a two-year exclusive rights contract. The station has a nondirectional signal during daylight hours and directional at night which can be heard as far away as Detroit, Michigan.

Omar Williams, sports director of WDTN-TV, will handle the play-by-play for the second

year. He is no stranger to Raider basketball as he handled six WDTN-TV telecasts in the past. He also will provide the description on three telecasts this season. Known as the dean of area sportscasters, Williams has done such events as Miami University football, Cincinnati Bengals, University of Dayton football and basketball and many regional network telecasts.

Joining Williams for the second season of WSU basketball is Rex Gardecki, sports director of WONE. He will provide the color commentary for radio and the three telecasts. He is best known in area basketball circles as a former University of Dayton roundball captain.

After two seasons without any live television originations from the Physical Education Building, Wright State and WDTN-TV have signed a two-year contract for basketball. This season the contract calls for three games over Channel 2—Miami, Chicago State and Eastern Illinois. The station recently underwent a change of ownership from Avco Broadcasting to Grinnell College, thus the change to the new call letters from WLW-D.

In addition to the radio and TV coverage, both of Dayton's television stations carry highlights of some home games during the news. Coverage is provided by WDTN-TV (Channel 2) and sports director Omar Williams and WHIO-TV (Channel 7) and sports director Tom Hamlin.

#### Outlook from page 6

Heading the list of strong opponents is Cincinnati which made its second straight appearance in the NCAA last year only to lose in the opening round to Notre Dame by one point. NCAA Division II selections were Eastern Illinois, which finished third in the finals and North Dakota, a loser in the quarterfinals to Puget Sound which eventually won the championship. NAIA tournament teams which made it to the finals were Central State,

Franklin and Wisconsin-Parkside while Kentucky State lost in the district.

Seven times during the season the Raiders will face Division I opponents, including three home games against Miami, Cleveland State and Robert Morris. The biggest improvement on the schedule is Division II opponents—15 games to be exact.

# Meet Our Raiders

Left to right: Neil Reif, Curt Shellabarger, Mark Hall, Ken Millisor

**Neil Reif, guard-forward, senior, 21, 6-4, 190, Cincinnati (Indian Hill)**

**Last Year:** Neil earned his first varsity letter as a junior by appearing in 25 games. After showing signs of being a better than average outside and free throw shooter, his percentages were rather disappointing last season. He shot 34.7 percent from the floor and 57.6 from the free throw line. With one year's varsity experience under his belt, those marks should improve this season. Two years of junior varsity play have proven his capabilities as an excellent free throw shooter. Reif's role this year will be as a second guard in the offense to make use of his size and rebounding ability. Going into the season, he is the most experienced of the players competing for the position. He had spent three years playing behind Bob Grote who graduated as the second-leading scorer in WSU history. A relief appearance of eight points against Morehead State last year is Reif's single-game high.

## Reif's Record

|         | G  | FG | FGA | Pct. | FT | FTA | Pct. | Pts. | Avg. | PF | Disq | RB | Avg. |

**Curt Shellabarger, center, senior, 23, 6-7, 206, Celina**

**Last Year:** Played only during the winter quarter after sitting out one year as a transfer student from the University of Florida where he averaged 18 ppg. with the JV squad as a freshman and 1.8 ppg. as a sophomore with a varsity team that finished 15-11 and tied for fourth place with Kentucky in the Southeastern Conference. Because the Raiders were 7-2 at the time he became eligible, Curt was used as a substitute most of the season. His first starting did not come until the last Central State game and the following two regular season contests. He missed most of the NCAA tournament with a case of tonsillitis. In his relief role, Curt still managed to score 6.9

**Coach's Evaluation:** "As a senior, Neil will be competing for a starting guard position. He will need to improve his shooting and ball handling skills to challenge for a starting berth. He made good progress as a junior and is determined to make his senior season a good one. Neil is a very cool player under pressure and is a capable and positive thinker. He could be an aggressive rebounder and is a good passer. Shooting may just be a matter of confidence with him."

**Personal:** Full name—Neil Martin Reif. Age 21 (born September 5, 1955). College: Education (major—sociology). The son of Robert and Arlie Reif, he has one older brother. Neil lettered in basketball (4), track (3) and football (2) at Indian Hill and was the basketball MVP, first team all-league and honorable mention all-city. He averaged 13.5 points per game his senior year on a 15-3 squad. His hobbies are paddleball and tennis. Neil has a 3.01 grade point average.

ppg. with a single-game high of 12 against Stetson. He averaged 5.3 rebounds, the fourth best average, and pulled down a season-high of 11 against Thomas More. A year's layoff from competition did not throw his shooting eye off as he shot 48.9 percent from the field and 66.7 from the charity line. Of the 18 games he played, Shellabarger was only under 40 percent from the field three times which speaks well for his consistent play. The only problem that plagued him was getting into foul trouble. He exited from five games with five fouls and averaged four per game. He seemed to improve on the problem late in the season. With the type of rugged schedule WSU plays this season, Shellabarger will need to assert his strength in the middle so WSU can hold its own on the

boards. He has excellent strength for rebounding and his knowledge of the game helps him with good positioning, but he must learn to control his aggressiveness to prevent unnecessary fouls. He will serve as captain for the 1976-77 season.

**Coach's Evaluation:** "Curt's overall aggressiveness and experience made him a late season starter for us last year. We feel his value to the team is indicated in naming him captain for this season despite the short time he has spent in our program. We expect Curt to have an outstanding senior season in leading the Raiders against the most difficult schedule ever. He is a mature player who knows what it takes to be a champion. His

**Last Year:** Spent the last two years at Navarro Junior College in Corsicana, Texas after lettering at Dayton (Jefferson). He averaged 16.1 ppg. last year and pulled down 8.1 rebounds after scoring 9.9 ppg. as a freshman. He shot 52 percent from the field and 63 percent from the free throw line. Prior to entering junior college, Mark led Jefferson for two years and scored 15.6 ppg. as a senior and averaged 14 rebounds. He scored 36 points in one game as a junior against Trotwood Madison. With his size, he will compete for a second guard spot.

a big guard that all teams need. He plays good defense and is a player who is very coachable. His experience makes him a player that we should be able to count on during the season. He's not a flashy player, but he is a winner. His weakness seems to be hitting the outside shot consistently."

**Personal:** Full name—Mark Vincent Hall. Age 21 (born November 28, 1955). College: Education (major—business education). The son of Jannie Hall, Mark has one older brother and two older sisters. He lettered twice in basketball at Jefferson. While at Navarro J.C., he was a second team all-Texas Eastern Conference selection. It comes as no surprise that his hobby is horseback riding after spending two years in Texas.

Prior to his freshman season, he suffered a knee injury which required surgery and kept him out for the entire season. Things began to look up last year, but some mid-season back problems kept Millisor out of action for over one month. He got a starting assignment against Evansville in the NCAA tournament

when Curt Shellabarger was sick. His lack of playing time was witnessed by picking up some quick fouls and eventually fouling out. The next night he scored a career-high of five points against St. Joe's. It is still difficult to assess Ken's playing ability since his injury problems started. In past competition, he showed excellent outside shooting ability along with good rebounding strength. However, his knee problems have hampered his quickness and mobility.

**Coach's Evaluation:** "Ken has a good shooting touch for a big man and is very aggressive around the basket. His attitude and willingness to work hard make him a winner. If he can overcome his past knee problems this

**Last Year:** Hard work on his entire game earned Poole a chance to try out with the varsity as a walk-on again this year. He spent all of last season with the junior varsity again and averaged 10.4 points per game in 14 games. That was slightly lower than his 11.6 average as a freshman, but both his field goal and free throw percentages improved to 39.5 and 58.8 respectively. His overall improvement should earn a spot as one of the top six guards with the varsity. One of the better students on the squad, Rick has a 2.7 grade point average.

**Coach's Evaluation:** "Rick had some outstanding individual performances at the junior varsity level and must be given consideration to make the varsity squad this year. He is an aggressive player who is a good driver and also rebounds well despite his size. Look for him to continue to improve this season. Rick has worked hard to improve his strength, an area lacking last year."

He finished second in scoring average with a fine 17.3 mark with a high of 23 points against Thomas More. Despite playing guard for the JVs, he averaged 7.2 rebounds per game. His field goal percentage of 47.2 reflects the potential he has as a shooter from the floor. He should make a strong bid for a spot as a second guard with his excellent size and rebounding ability. gressive rebounder, so I look for him to see more playing time. Because he runs well for a big man, he will fit into our running game better as the season progresses. Another area he needs work on is foul shooting, but that should improve with experience."

**Coach's Evaluation:** "Bob made the transition to a guard position on the collegiate level after an outstanding prep career. He is working to improve his quickness and ball handling which is needed at the second guard position. He gained valuable experience playing junior varsity ball last year and he should make a strong bid to see plenty of action this year. Bob is a player who can surprise you offensively."

#### Dan Huguely, forward, sophomore, 19, 6-8, 190, Dayton (Roosevelt)

**Last Year:** One of three freshmen to earn a letter with the varsity last year. Dan played in 22 of 28 games and finished with a 3.5 scoring average. His field goal percentage of 38.5 is somewhat deceiving because of low playing time in most games. He hit on 70.8 percent of his free throws which gives a better idea of his potential. In only limited appearances, he averaged 2.5 rebounds per game. He scored a season high of nine points twice, both in close wins over Otterbein and in a double overtime win at Akron when he scored five key points in the second overtime period. After going through early season turnovers, Dan made only six turnovers in the last half of the year. It came as no great surprise to the coaching staff that he grew two inches since the start of last season in addition to the strength he gained through a summer conditioning program. All of this should put him in a good position for a starting berth as a wing man.

#### Alan McGee, guard, sophomore, 20, 6-1, 173, Ft. Wayne, Indiana (North Side)

**Last Year:** Spent most of the season as the back-up point guard to Rick Martin. However, he did start several games, including WSU's win over St. Joseph's in the NCAA tournament when he scored eight points and played

former his senior year, averaging 20.1 points per game. He scored 51 points in one game as a senior. His hobbies are music and all sports.

**Coach's Evaluation:** "Dan made tremendous improvement as a freshman and has the potential to be an outstanding 'big forward.' At 6-8, he plays the best on the perimeter where he is an excellent shooter with the quickness to get to the boards and rebound. He has worked hard in the areas of ball handling and defense where he had some problems last year. With all of his summer work taken into consideration, he should be a top contender to start as a sophomore."

**Personal:** Full name—Dan Huguely. Age 19 (born April 8, 1957). College: University Division (major—undecided). The son of Willie and Evelene Sanders, Dan has three older sisters. He won two letters in basketball at Roosevelt and scored 15.1 points per game in his senior year on a team that finished 20-2 and won the city championship. He played in the Midwestern All-America Classic for the Dayton all-Stars at Hara Arena after his senior year. He has a love for animals.

His 41.0 field goal percentage was fair, especially for a freshman making the transition to college basketball. He showed signs of being foul-prone, but that should improve with experience. with 20 being his season-high against Thomas More when he hit on nine of 12 field goal shots. Early season turnovers improved as the season progressed. With the departure of four-year starter Martin, McGee is in a position to start this season if he can improve in areas such as shot selection. Al is the best student ever recruited to play basketball at Wright State and his first year's work in the classroom was outstanding. He earned 60 hours (including hours in summer school) of 3.9 grade point average work. After graduation, he hopes to enter the medical profession. With his academic capabilities and his pleasant personality, he should have a very successful career.

#### Bob Pounds, forward, sophomore, 20, 6-5, 185, Columbus (Eastmoor)

**Last Year:** Was the first player ever signed at WSU as a junior college transfer. He left Lorain County Community College after one year, averaging 20 ppg. and 10.4 rebounds per contest on a team that finished 15-11. He was selected to the all-Regional first team for his efforts in the NJCAA Region XII tournament. While at Eastmoor, he was a second team all-City choice as a senior when he averaged 13.8 ppg. on a second-place team.

**Coach's Evaluation:** "Bob is a very enthusiastic player. He has the potential to be a

great wing man in college basketball. He has shown excellent jumping ability, but needs to improve his ball handling. He is an excellent free throw shooter. Bob will push for a starting berth as a wing man with his positive attitude."

**Personal:** Full name—Alan Wayne McGee. Age 20 (born December 9, 1956). College: University Division (major—pre-medicine). The son of Dewitt and Henria McGee, Alan has two brothers and seven sisters. He lettered in basketball (3) and football (3) at North Side. He was a second team all-Indiana selection by United Press International as well as being the player of the year in Allen County as a senior. In addition to McGee's honors in basketball, he was honorable mention all-City in football and was on the all-star team in the state volleyball tournament. His hobby is tennis.

His hobby is helping people.

**Bob Schaefer, center-forward, sophomore, 19, 6-7, 208, Kettering (Alter)**

**Last Year:** One of the most highly sought players to sign with the Raiders, Bob was the only freshman to start on last year's 20-8 NCAA team. He demonstrated excellent offensive ability by scoring 12.1 points per game in all 28 games. That leaves him as the top returning scorer this season with Curt Shellabarger the only other player who scored over 5.0 points per game. Although he plays the pivot, many of Schaefer's shots are around the perimeter where he showed ability to score. His shooting percentages were excellent for a freshman—45.4 from the field and 75.6 from the free throw line which was fourth best on the team. His single-game high scoring output came against Ohio Northern (25) in the Colonial City Classic and earned him all-tournament honors. He scored in double figures 18 times and went over the 20 mark three times. His 20 points against Central State at home was a major factor in the four-point victory. Bob took game-high rebounding honors in 14 games with 14 against Wilmington a high mark. His 338 points as a freshman is the second-best first-year mark and eighth highest overall. It also moved him into the top ten career scoring leaders, needing 75 points to take over eighth and 83 for seventh. Despite leading the team in rebounding with a 7.5 average, he could improve in this area, especially with consistency.

**Joe Fitzpatrick, forward, freshman, 18, 6-5, 198, Cincinnati (Mt. Healthy)**

**Last Year:** Led Cincinnati City League in rebounding with 15 per game last year as the captain of a Mt. Healthy team that finished 11-7. He averaged 15 points per game and earned all-league honors as a senior. He will be slightly behind some of the other varsity members this season because he suffered

cy. On several occasions, he was held to under five rebounds. As a member of the WSU baseball team, Bob posted a 1-1 record with a 2.96 earned run average as a pitcher.

**Coach's Evaluation:** "Bob has a great shooting touch for a big man. He has a good understanding of the game and that comes from an excellent high school background and a history of winning. We expect Bob to improve his ball handling and driving from the perimeter area. He will accept the challenge as he did last year and contribute to the team's success. He continued to prove his areas of good attitude and leadership. Bob must continue to watch his weight to play his best."

**Personal:** Full name—Robert Gerald Schaefer. Age 19 (born July 9, 1957). College: University Division (major—science and English). The son of Robert and Mary Lou Schaefer, Bob has four sisters. He lettered in baseball (3) and basketball (2) at Alter. As a senior he averaged 17.1 points per game on a team that finished with a 24-1 record. He was a member of the *Daily News* all-Greater Dayton team, the *Journal Herald* all-Area team and was honorable mention all state. He was the first WSU recruit to play in the North-South all-Star game at Marion. His father played football at the University of Dayton.

He was first team all-City, first team all-County, first team all-Central District by Associated Press, second team all-Citizen Journal Metropolitan and second team all-Ohio by Associated Press. He shot 75.8 percent from the free throw line and scored 38 points in one game. As the team's captain as a senior, he led Eastmoor to a 16-6 record overall and 10-3 in the City League good for second place. He was a National Merit Scholarship commended student and was nominated for Who's Who in American High School Students.

son of Jack and Mattie Fitzpatrick, Joe has three younger brothers and one younger sister. He lettered in basketball and track at Mt. Healthy. His father played with the Harlem Globetrotters for one year. Joe's hobbies are bowling and fishing. Last year he worked one day a week at Johnny Bench's Home Plate.

**Coach's Evaluation:** "Bill has the mental and physical potential to become a great college guard. His weakness seems to be in his all-round ball handling. Being a class person with a great attitude, we expect him to improve with each game. Bill will contribute greatly to the team's success with the great quickness and speed. He probably has more potential than any other guard I have ever recruited."

# About Wright State

Wright State University, the youngest of Ohio's twelve state universities, has a 618-acre campus located just a few miles east of Dayton, within the Fairborn city limits. The university serves about 13,000 students on the main campus and 1,300 students on two branch campuses at Celina and Piqua.

Wright State had its origins in 1964 when the Dayton campuses of Miami University and Ohio State University merged in Allyn Hall, and in 1967 Wright State became a full-fledged state university. Development continued of the earlier idea, and with its own Board of Trustees and new administrative direction, began its drive forward.

The university was founded on the idea of serving the vast Dayton metro area, one of the nation's 50 largest markets, and it continues to be basically a commuter campus, in a declining economy.

Facilities have grown with the student population. Allyn Hall was followed by Oelman, Millett, and Fawcett Halls to form Founder's Quadrangle. Then came the University Center, for student activities, and a residence hall with facilities for 160 men and 160 women.

There is a Physical Education Building which houses the basketball team's home court in its main gym, an auxiliary gym, a 75-foot swimming pool with a spectator capacity of 500, classrooms, a dance room, a special exercise room for the handicapped, handball and squash courts, and a lab for physiology of exercise.

The University Library, at the hub of campus academic life, has collections of books, journals, documents, and audiovisual materials related to every teaching field, as well as collections of rare and valuable documents and memorabilia. The Television Center, in a separate wing of the library building, has studios and production facilities.

The Creative Arts Center houses facilities for music, theatre, art, and art education and two theatres and two concert halls.

Two phases of the Biological Sciences Building were completed during 1975 while the medical sciences building is scheduled to open in 1977.

This complex will provide needed laboratories for the School of Medicine, the School of Nursing, allied health disciplines, and the biological sciences. An added feature to the university's facilities is a tunnel system linking every major building on campus.

Wright State is a community-oriented university, as well it should be. The community raised \$3 million in 1962 to establish the university. Now Wright State is working to provide facilities, services, and programs to meet community needs.

## Robert J. Kegerreis, President

Robert J. Kegerreis is the second president of Wright State University, coming to the post in July, 1973.

He spent two years as chairman of the department of marketing at Ohio University, after a successful career in the world of business and finance. He came to Wright State in 1969 as dean of the College of Business and Administration. In 1971, he was promoted to a vice-presidency, and two years later was named president of the university.

Despite the pressures of this office and the demands on his time, Dr. Kegerreis finds relaxation in flying his own plane, and further fulfillment in giving of his energies and expertise in a number of areas.

He is a director of Robbins and Myers, Inc., KV Store, Inc., Systems Research Laboratories, Gem City Savings Association, and Dayton Power and Light Company.

He also is a member of the board of trustees and chairman of the instruction committee of The Methodist Theological School in Delaware, Ohio; director, Community Research, Inc., Dayton; trustee, Methodist Children's Home, Berea; a member of the joint administrative board, United Theological School and Methodist Theological School; director, Health Planning Council; director, Dayton Area Chamber of Commerce; and on the executive committee, Dayton-Miami Valley Consortium.

The Dayton Area Bicentennial Commission selected him as chairman of its Horizon '76 committee.

The president holds four degrees from Ohio State University. He was awarded two bachelor's degrees in 1943, a Master of Business Administration in 1947 (after combat service as a Naval officer), and a Ph.D. in business administration in 1968.

He and his wife, Katherine, have two children.

## Athletes in Action

Here—November 18, 8 p.m.

**Thumbnail Facts:** Athletes in Action, Indianapolis, Indiana; Affiliation—Campus Crusade for Christ; Athletic Director—David R. Hannah; Team Director—Tim Teer; Sports Information Director—B. B. Branton (phone 317/783-2395); Colors—Red, White and Blue; Nickname—Challengers.

**Coaching Staff:** Head coach, Rle Nichols; assistant coach, Don DeHart.

**This Year:** Best players returning from last year's 10-25 squad are Harry Sheehy (6-4, 24.5 ppg.) and Owen Long (5-10, 10.7 ppg.), who is remembered for leading Slippery Rock to a two-point victory at WSU in 1973-74. Other top players signed for this season include Bob Hornstein (6-9) of West Virginia, Don Lattin (6-5) of Nevada-Reno and Mike Pratt (6-8) of Southwest Missouri State.

## Central State

Wright State Invitational, November 26-27 (November 26, vs. Western Illinois, 7 p.m.)

**Thumbnail Facts:** Central State University, Wilberforce, Ohio; Affiliation—state university; President—Dr. Lionel H. Newsom; Athletic Director—Dr. Lu D. Wims; Sports Information Director—to be named (phone 513/376-6317); Enrollment—2,567; School Colors—Crimson and Gold; Nickname—Marauders; Conference—Independent, NAIA, NCAA; Home Court—Beacom Fieldhouse (capacity 4,500).

**Coaching Staff:** Head coach, Lu Wims (2 years, W-34, L-22); assistant coaches, Norman Ward, Harry Jackson.

**Series Standing:** The teams split home court victories last season, WSU winning 84-80 at home and losing at CSU, 59-51, to keep WSU ahead in the series, 2-1.

**Marauders Last Year:** After winning 10 of its

first 11 games, Central State finished with a 20-10 record, including an appearance in the National NAIA tournament and a loss to Grand Canyon.

**This Year:** Front line players were key losses for the Marauders—Carl Ealy (9.0 ppg.), Roosevelt Leverett (8.3 ppg.) and Robert Spencer (7.2 ppg.). Plenty of strength returns in the backcourt with senior Kenny Smith (6-2, 14.7 ppg.) and junior James Lewis (6-2, 9.4 ppg.). Other top scorers back are juniors Bennie Fowler (6-3, 9.5 ppg.) and Alvin Javis (6-4, 6.0 ppg.) and sophomore Mel Crafter (6-4, 8.9 ppg.). A question mark is Steve Bayless (6-5) who averaged 12.5 as a freshman but missed most of last season with various injuries. Overall, a lack of height and rebounding with an improved schedule make another outstanding season questionable. Wims must look to freshmen Mark McMillian (6-8) and Andre Hightower (6-5) for rebounding. Also, the Marauders must display a better capability to win on the road.

## Western Illinois

Wright State Invitational, November 26-27 (November 26, vs. Central State, 7 p.m.)

**Thumbnail Facts:** Western Illinois University, Macomb, Illinois; Affiliation—state university; President—Dr. Leslie Malpass; Athletic Director—Gil Peterson; Sports Information Director—Larry Heimburger (phone 309/837-9134, ext. 309); Enrollment—14,300; School Colors—Purple and Gold; Nickname—Leathernecks; Conference—Independent, NCAA; Home Court—Western Hall (capacity 8,500).

**Coaching Staff:** Head coach, Walt Moore (3 years, W-39, L-39); assistant coach, Lupe Rios.

**Series Standing:** no previous games.

**Leathernecks Last Year:** Despite putting five players in double figures, WIU still finished with a 12-14 record, losing five of its

final six games. A potent offense scored 82 points per game, but WIU shot only 61 percent from the free throw line. Five of the Leathernecks' losses were to Division I schools such as Central Michigan, Arkansas and Bradley.

**This Year:** Fourth year coach Walt Moore faces a major rebuilding job with the loss of five of his top six scorers from last year. Gone are Tom Fowlkes (16.3 ppg.), Billy Harris (13.7), Allen Hudgins (12.2), Chet Pudlosky (11.0) and Randy Toepke (9.3). The only returning starter is sophomore Brad Bainter (6-1, 12.7). Other returning lettermen are senior Gary Lorenz (6-6, 4.0), junior Scott Williams (6-4, 1.7) and junior Randy Hersey (6-8) who missed last year but was the leading rebounder two years ago. Top newcomer looks like transfer Randy McCoy (6-8) from Oregon along with freshman Hubert Carter (6-3). Overall, the Leathernecks should have good team quickness, but will be short on experience and depth. The return of Hersey with the addition of McCoy should help the rebounding strength, an area of weakness last year.

## Slippery Rock

Wright State Invitational, November 26-27 (November 26, vs. Wright State, 9 p.m.)

**Thumbnail Facts:** Slippery Rock State College, Slippery Rock, Pennsylvania; Affiliation—state university; Acting President—Dr. James N. Roberts; Athletic Director—Dr. Robert Raymond; Sports Information Director—John Carpenter (phone 412/794-7216); Enrollment—6,250; School Colors—Green and White; Nickname—Rockets; Conference—Pennsylvania, ECAC, NAIA, NCAA; Home Court—Morrow Field House (capacity 3,000).

**Coaching Staff:** Head coach, Doug Zimmerman (1 year, W-7, L-17); assistant coach, Bob Case.

**Series Standing:** In two previous meetings the Rockets have yet to lose to the Raiders. The 1974-75 game was decided in the closing seconds, 81-79. Last year's game at Slippery Rock ended with the Rockets on top, 75-72.

**Rockets Last Year:** In Doug Zimmerman's first season as head coach, the Rockets finished with a 7-17 record. Balanced scoring was a factor in the Rocket's season with John Thiebaud's 12.7 average high on the team.

**This Year:** Graduation took five players, two of whom were starters, and three of the Rock's top scorers. Much of this season's load will have to be carried by junior center Chuck Link (6-8, 10.9), who was the leading rebounder last year. Other returning starters

include junior forward Ron Hatlen (6-4, 6.9) and junior Bill McNeese (5-10, 7.2). Help might be expected from junior Tim Austin (6-8, 2.5) and sophomore Mike Hardy (6-5, 2.0). Additional help is expected from junior Gene Jones (6-4) and sophomore Ray Thomas (6-4). The 1976-77 Rockets will not have a senior on the squad. Overall Slippery Rock looks fairly strong in the front court, but lacks depth and experience in the backcourt.

## Indiana-Purdue at Indianapolis

Here—November 29, 8 p.m.

**Thumbnail Facts:** Indiana University-Purdue University at Indianapolis, Indiana; Affiliation—state university; President—Dr. Glenn W. Irwin, Jr.; Athletic Director—Nicholas Kellum; Sports Information Director—Jeff Vessely (phone 317/264-3764); Enrollment—16,000; School Colors—Red and Gold; Nickname—Metros; Conference—Independent, NCAA (pending); Home Court—Fairgrounds Coliseum (capacity 8,000).

**Coaching Staff:** Head coach, J. Kirby Overman (1 year, W-13, L-14); assistant coach, S. Samuel Johnson.

**Series Standing:** No previous games.

**Metros Last Year:** Freshman Dale Taylor's 17.7 scoring average and 12.5 rebound average helped the Metros to a 13-14 record.

**This Year:** Four starters return as IUPUI awaits membership as an NCAA Division II member. Back are seniors Keith Nye (15.7 ppg.) and Bob Woodford (10.2 ppg.) and sophomores Dale Taylor (see above) and Davey Harris (12.3 ppg.). A letter winner back from the 1974-75 season is Austris Purvlicis. Newcomers this season are transfers Julius Norman (6-3), Bill Finley (6-1) and Mike Harris (6-10). Overall, the Metros have a solid nucleus with returning players and transfers, but a much improved schedule will make a winning season a difficult task.

## Cincinnati

There—December 1, 8 p.m.

**Thumbnail Facts:** University of Cincinnati, Cincinnati, Ohio; Affiliation—state university; President—Dr. Warren Bennis; Athletic Director—Lou Saban; Sports Information Director—Jerry Kissel (phone 513/475-5091); Assistant SID—Mike Ricciardi; Enrollment—35,950; School Colors—Red and Black; Nickname—Bearcats; Conference—Metro Seven, NCAA; Home Court—Riverfront Coliseum (capacity 16,000).

**Coaching Staff:** Head coach, Gale Catlett (4

years, W-84, L-29); assistant coaches, Mike Brown, Gary McPherson.

**Series Standing:** Cincinnati leads the series, 3-0, with all three wins at the UC Army.

**Bearcats Last Year:** A 25-6 record was good enough for 12th in the final AP poll and 16th in UPI, but the Bearcats lost a one-point game to Notre Dame in the opening round of the NCAA Midwest Regional. UC won the first Metro-Six championship last year by defeating Memphis State in the tourney finals.

**This Year:** Losses are at a minimum for the colorful UC coach—Mike Artis (8.3 ppg.), Hal Ward (5.8 ppg.) and Garry Kamstra (5.4 ppg.). Returning lettermen are seniors Brian Williams (6-5, 12.5 ppg.) and Gary Yoder (6-4, 7.3 ppg.) and juniors Bob Miller (6-10, 15.2 ppg.), Pat Cummings (6-9, 11.7 ppg.), Mike Jones (6-5, 9.1 ppg.) and Steve Collier (6-4, 7.7 ppg.). Top newcomers are Eddie Lee and Keith Hemans at guard with Greg Johnson (6-6) and Mike Miller (6-10) at forward and center. Overall, there is plenty of depth, experience, size and quickness for another outstanding season. A relatively easy schedule should make another 10-victory season well within reach.

### Northern Kentucky

Here—December 4, 8 p.m.  
There—January 12, 8 p.m.

**Thumbnail Facts:** Northern Kentucky University, Highland Heights, Kentucky; Affiliation—state university; President—Dr. Ralph Tesseneer; Athletic Director—Dr. Lonnie Davis; Sports Information Director—Mel Webster (phone 606/292-5199); Enrollment—4,600; School Colors—Gold and White; Nickname—Norsemen; Conference—Independent, NCAA; Home Court—Regents Hall (capacity 3,000).

**Coaching Staff:** Head coach, Mote Hils (5 years, W-62, L-68); assistant coach, Ron Reule.

**Series Standing:** After posting six straight wins over the Norsemen, including a 91-87 home victory last year, WSU lost on the road, 85-73, to leave the series at 6-1.

**Norsemen Last Year:** An injury to leading scorer Dan Doellman may have cost the Norsemen a chance for an NCAA post-season tournament bid because they lost several late-season games to finish with a 17-9 record, best in their history.

**This Year:** Although no information was sent from Northern Kentucky, leading players on

this year's varsity should be sophomore Dan Doellman (6-6), senior Tony Faehr (6-5), sophomore Marvin Wilson (6-4), sophomore Dennis Bettis (5-11) and junior Greg Mills (6-4).

### Miami

Here—December 8, 8:10 p.m.

**Thumbnail Facts:** Miami University, Oxford, Ohio; Affiliation—state university; President—Dr. Phillip R. Shriver; Athletic Director—Richard Shrider; Sports Information Director—Dave Young (phone 513/529-4327); Enrollment—14,700; School Colors—Red and White; Nickname—Redskins; Conference—Mid-American, NCAA; Home Court—Millett Hall (capacity 9,200).

**Coaching Staff:** Head coach, Darrell Hedric (6 years, W-100, L-54); assistant coaches, Jerry Peirson, Joe Barry.

**Series Standing:** Miami leads the series, 3-0, with the last game played at Miami in 1974-75 for the 85-61 MU victory.

**Redskins Last Year:** It took a perfect season by Western Michigan to keep Miami from capturing the MAC title with its 14-2 record. The 'Skins were 18-8 overall, losing to such national powers as Michigan, North Carolina, Cincinnati, Marquette and Kentucky.

**This Year:** The only losses for Miami are Greg Olson (5.6) and Bill McGinley (3.8). Four starters return to form an extremely strong nucleus—senior Chuck Goodyear (6-5, 18.1), juniors Archie Aldridge (6-5, 15.8), John Shoemaker (6-2, 10.7) and Randy Ayers (6-6, 10.9). Other letter winners back are senior Mike Kearney (6-9, 3.4), junior Bernard Newman (6-7, 4.2) and sophomores Rich Babcock (5-11, 2.3) and Todd Jones (6-5, 1.8). Transfer Bill Lake (6-11) from North Carolina State looks like a strong candidate for a starting berth in the pivot. Overall, Miami will have a very experienced squad with 10 lettermen back, yet only two are seniors. There are not apparent weaknesses at any position, plus there is more than adequate depth. Look for Miami to make a run at the MAC crown.

### Marian

There—December 11, 2:30 p.m. (CST)

**Thumbnail Facts:** Marian College, Indianapolis, Indiana; Affiliation—Roman Catholic; President—Dr. Louis C. Gatto; Athletic Director—Cleon Reynolds; Sports Information Director—Curtis E. Stoll (phone 317/924-3291, ext. 215); Enrollment—865;

School Colors—Blue and Gold; Nickname—Knights; Conference—Independent, NAIA; Home Court—Naval Armory (capacity 1,800).

**Coaching Staff:** Head coach, John Grimes (1st year).

**Series Standing:** The Raiders took a one-game edge in the series, 3-2, last year with a 107-83 home court victory.

**Knights Last Year:** Victories in five of the final six games enabled Marian to finish with an 11-11 season. Winning five games by three points or less was a key to the .500 season. The high-scoring Knights had five players score in double figures.

**This Year:** Gone from last year's squad are Mike Kilcline (15.6 ppg.), Brian Wallace (12.4 ppg.) and Stan Benge (12.1 ppg.). Veterans returning this season include seniors Rick Mack (6-7, 13.8 ppg.) and Ed Watko (6-5, 8.2 ppg.), junior Jim Dossman (6-3, 9.1 ppg.), and sophomore Kevin Smith (5-10, 12.6 ppg.). Seven freshmen are on the pre-season roster. Overall, the biggest players on the roster have shown little consistency in the past. A key may be the play of senior John Folkert (6-9, 5.5 ppg.) and sophomore Steve Langdon (6-8, 0.4 ppg.). Defense and rebounding may hold the key under the new head coach for the Knights.

### Indiana Central

Here—December 13, 8 p.m.

**Thumbnail Facts:** Indiana Central University, Indianapolis, Indiana; Affiliation—United Methodist; President—Dr. Gene E. Sease; Athletic Director—Angus Nicoson; Sports Information Director—Dr. Ken Borden (phone 317/788-3298); Enrollment—3,100; School Colors—Crimson and Grey; Nickname—Greyhounds; Conference—Indiana Collegiate, NCAA; Home Court—Indiana Central Gymnasium (capacity 4,200).

**Coaching Staff:** Head coach, Angus Nicoson (29 years, W-482, L-274); assistant coach, Bill Bright.

**Series Standing:** Wright State won the first game in the series, 91-82, at WSU last season.

**Greyhounds Last Year:** After losing five of its first six games, Indiana Central rebounded for a 13-13 record overall and 6-6 in the ICC. The Greyhounds posted wins over Evansville and St. Joseph's, both entries in the NCAA Division II tournament.

**This Year:** Despite just two seniors on his

squad, veteran coach Angus Nicoson has a rather experienced varsity five as he seeks his 500th career victory in his 30th year as a head coach. Returning veterans are senior Jim Farmer (6-3, 14.2), junior Steve Kahl (6-8, 12.4) and sophomores Kevin Pearson (6-5, 11.9) and Dave Ancelet (5-10, 6.1). Sophomore lettermen Jeff Hanni (6-6, 5.6) could move into the remaining starting spot opposite Pearson. Overall, the only major problem facing ICU is depth. If the Greyhounds remain injury-free, they should better last year's 13-13 record.

### Akron

There—December 15, 8 p.m.  
Here—February 23, 8 p.m.

**Thumbnail Facts:** The University of Akron, Akron, Ohio; Affiliation—state university; President—Dr. Dominic J. Guzzetta; Athletic Director—Gordon K. Larson; Sports Information Director—Ken MacDonald (phone 216/375-7468); Enrollment—22,000; School Colors—Blue and Gold; Nickname—Zips; Conference—Independent, NCAA; Home Court—Memorial Hall (capacity 3,200).

**Coaching Staff:** Head coach, Ken Cunningham (1st year); assistant coaches, Fritz Meyer, Chris Wolfe.

**Series Standing:** Wright State won both games last year, 78-65 at home and an 84-81 double overtime win at Akron, to take a 2-1 lead in the series. The Zips snapped WSU's 23-game winning streak in the PE Building two years ago with a 63-60 victory.

**Zips Last Year:** A coaching change just before the season started got the Zips off on the wrong foot and they never quite recovered. The result was a rare losing season at 10-14, only their second in the last 21 years.

**This Year:** It will be a rebuilding year in more than one way for first-year coach Ken Cunningham. Gone are Jim Abrams (15.3 ppg.), Grover Hunt (10.1 ppg.), Dave Joyner (10.6 ppg.) and Kevin Angotti (2.1 ppg.). The only returner over 6-5 is senior Lou Hardy (6-9, 15.2 ppg.). Other top returnees are senior Rick Peters (6-1, 4.4 ppg.), juniors Vic Butler (6-2, 3.2 ppg.) and Chuck Booms (6-5, 3.2 ppg.) and sophomore John Britton (6-5, 4.3 ppg.). Transfer Boyd Breece (6-5) could help at forward. Top freshmen are Rich Johnson (6-0), Larry Keehan (6-3), Bob Richardson (6-10) and Larry Smith (6-5). Overall, on paper the Zips will lack height, team leadership and scoring guards this season. Cunningham could find his first year away from Cincinnati a tough road. A tough schedule will complicate things even further as UA attempts to avoid back-to-back losing seasons.

## North Dakota

There—December 20, 7:30 p.m. (CST)

**Thumbnail Facts:** University of North Dakota, Grand Forks, North Dakota; Affiliation—state university; President—Dr. Thomas Clifford; Athletic Director—Dr. Carl Miller; Sports Information Director—Lee Bohnet (phone 701/777-2234); Enrollment—9,000; School Colors—Green and Gold; Nickname—Sioux; Conference—North Central, WCHA, NCAA; Home Court—University of North Dakota Field House (capacity 8,000).

**Coaching Staff:** Head coach, Dave Guenther (7 years, W-113, L-50); assistant coaches, Dennis Gienger, Ray Jones.

**Series Standing:** No previous game.

**Sioux Last Year:** Ended a very successful season with a 22-7 record, after winning the North Central Conference championship for the third consecutive year and a second straight NCAA regional Division II title, North Dakota lost in the quarter finals to Puget Sound, 80-77, which went on to win the NCAA Division II Championship.

**This Year:** Rebuilding is a word that fits the 1976-77 Fighting Sioux. After losing seven seniors, including four starters, coach Guenther faces a major job of maintaining North Dakota's presence among the midwest NCAA Division II powers. The lone returning starter is senior guard David Dickey (6-1, 7.7), who directs the team from the point. Other lettermen returning include sophomore Chris Fahrback (6-7, 6.0), senior Fred Luckens (6-7, 3.2) and John Thelen (6-4, 2.0). Additional returnees include sophomores Dave Wahlers (6-8), and Jay Gibson (5-10) and junior Emery Koenig (6-8). New recruits could play a significant role in the success of the Sioux this season. Early in the season, lack of experience could hurt the Fighting Sioux. Compared to previous seasons, this team will not be blessed with a lot of depth but will have a team capable of putting points on the scoreboard.

## Northeastern Illinois

Here—January 4, 8 p.m.

**Thumbnail Facts:** Northeastern Illinois University, Chicago, Illinois; Affiliation—state university; President—Dr. Ronald Williams; Athletic Director—Isadore Salario; Sports Information Director—Larry Bernstein (phone 312/583-4050, ext. 481); Enrollment—7,000; School Colors—Brown and Gold; Nickname—Golden Eagles; Conference—Chicagoland, NAIA; Home Court—University Gym.

**Coaching Staff:** Head coach, Doug DeVincent (1st year); assistant coach, Dan Crawford.

**Series Standing:** No previous games.

**Golden Eagles Last Year:** The high-scoring Golden Eagles were 21-9 with five players averaging in double figures.

**This Year:** Three players will be missed from last season—Gary Staniec (18.3 ppg.), Steve Kidd (10.9 ppg.) and Tom Griffin (13.3 ppg.). Top returners are senior Bobby Beckam (6-0, 8.2 ppg.) and juniors Tyrone Rutues (6-7, 17.9 ppg.) and Sam Clark (6-3, 11.4 ppg.). The top reserve returning is junior George Shimko (5-10, 4.7 ppg.). Two freshmen on the roster are Ron Bates (6-5) and Pete Shiman (6-6). Overall, depth may be a problem for first-year coach Doug DeVincent.

## Chicago State

Here—January 8, 8:10 p.m.

**Thumbnail Facts:** Chicago State University, Chicago, Illinois; Affiliation—state university; President—Dr. Ben Alexander; Athletic Director—Dorothy Richey; Sports Information Director—Ron Washington (phone 312/995-2295 or 2217); Enrollment—6,615; School Colors—Green, White and Gold; Nickname—Cougars; Conference—Independent, NAIA, NCAA; Home Court—Chicago State Gym (capacity 3,000).

**Coaching Staff:** Head coach, Joseph Buckhalter (2 years, W-25, L-25); assistant coach Dr. Wilbert Jackson.

**Series Standing:** No previous games.

**Cougars Last Year:** Won 8, Lost 16.

**This Year:** Heading the list of returning lettermen for the Cougars is Jerome Holland (6-7, 20.4 ppg., 12.8 rpg.), who transferred from the University of Dayton. Other high scorers back are Ken Cyrus (6-5, 24.4 ppg.), Epheen Stewart (6-6, 17.4 ppg., 10.5 rpg.) and David Jackson (6-7, 12.4 ppg.). Little is known about the remaining players on the CSU roster. Overall, the top players have plenty of height and firepower to lead the Cougars to an improved record.

## Armstrong State

Here—January 15, 8 p.m.

**Thumbnail Facts:** Armstrong State College, Savannah, Georgia; Affiliation—state university; President—Dr. Henry L. Ashmore; Athletic Director—Bill Alexander; Sports Information Director—Jim Majors (phone 912/925-

4200, ext. 256); Enrollment—3,700; School Colors—Maroon and Gold; Nickname—Pirates; Conference—South Atlantic, NCAA; Home Court—Savannah Civic Center (capacity 7,200).

**Coaching Staff:** Head coach, Bill Alexander (9 years, W-138, L-110); assistant coaches, Roger Dorio, Joe Roberts, Mike Backus.

**Series Standing:** Wright State won the first game in the series last year at Savannah with an 89-85 overtime victory.

**Pirates Last Year:** After losing seven of its first nine games, Armstrong State finished with a 15-13 record, but then lost in the opening round of the South Atlantic Conference tournament. Senior Sam Berry finished 20th in Division II scoring with a 24.0 average. A poor free throw percentage (60.1) was costly in several games.

**This Year:** Departing Sam Berry (see above) will leave a big void at forward. Other losses are Roger Weber (10.6 ppg.) and Sonny Powell (8.7 ppg.). Despite the major losses, one bright area is the return of junior Wayne "Crow" Armstrong (6-10, 16.6 ppg., 11.4 rpg.). Other letter winners back are senior Dennis Davis (6-7, 11.0 ppg.) and junior Newt Brown (5-10, 4.1 ppg.). The only freshman on the pre-season roster is Keith Tabor (6-1). Overall, the Pirates will have to rely on several junior college transfers to start if they hope to have a winning season. The coaching staff must come up with a pair of improved guards to complement the strong front line. An improved schedule could make a winning season tough if there is not a good guard combination.

## Wisconsin-Milwaukee

There—January 17, 8 p.m. (CST)

**Thumbnail Facts:** University of Wisconsin at Milwaukee, Milwaukee, Wisconsin; Affiliation—state university; Chancellor—Werner Baum; Athletic Director—James Harding; Sports Information Director—Steve Rowbottom (phone 414/963-5151); Enrollment—24,500; School Colors—Old Gold and Black; Nickname—Panthers; Conference—Independent, NCAA; Home Court—Baker Fieldhouse (capacity 2,000).

**Coaching Staff:** Head coach, Bob Gottlieb (3 years, W-46, L-36); assistant coaches, Nevil Shed and Bud Collins.

**Series Standing:** No previous games.

**Panthers Last Year:** Despite an inexperienced team and a rugged schedule, UWM put together an 11-15 record, including

losses to such national powers as Cincinnati, Jacksonville and New Orleans.

**This Year:** The forward position was hit hard by graduation with the loss of Glen Allen (12.8 ppg.) and Willis Price (9.5 ppg.). Returning veterans are seniors Larry Pikes (6-3, 10.2 ppg.), Robert Jammer (6-9, 7.7 ppg.) and Noren Merritt (6-7, 9.6 ppg.), junior Al Walker (6-7, 7.0 ppg.) and sophomores Gerald Hardnett (6-3, 9.8 ppg.) and Jo Jo Thurston (6-4, 4.9 ppg.). Best of the newcomers are Duane Nelson (6-3), Kirk Tatge (6-9) and Albert Jones (6-4), a teammate of WSU's Bill Wilson at Columbus (Eastmoor). Overall, UWM should be strong at guard with plenty of experience and depth. However, the Panthers lack an experienced player in the pivot. A winning season is a possibility if either Jammer or Tatge show consistency.

## Wisconsin-Parkside

Here—January 22, 8 p.m.

**Thumbnail Facts:** University of Wisconsin at Parkside, Kenosha, Wisconsin; Affiliation—state university; Chancellor—Dr. Alan E. Guskin; Athletic Director—Dr. Wayne E. Dannehl; Sports Information Director—Don Kopriya (phone 414/553-2404); Enrollment—5,000; School Colors—Black, White and Green; Nickname—Rangers; Conference—Independent, NAIA; Home Court—Physical Education Building (capacity 2,400).

**Coaching Staff:** Head coach, Steve Stephens (7 years, W-101, L-86); assistant coach, Rudy Collum.

**Series Standing:** No previous games.

**Rangers Last Year:** Victories in 11 of the final 13 games carried them to the National NAIA tournament where they lost in the second round to eventual champion, Coppin State, by one point and finished with a 24-7 record. The scoring of Gary Cole (20.9 ppg.) and Leartha Scott (20.7 ppg.) carried the Rangers to two successive NAIA District 14 titles. Cole was a third round draft choice of the Cleveland Cavaliers.

**This Year:** In addition to the big shoes to fill of Cole, veteran coach Steve Stephens must replace starters Bill Sobanski (8.2 ppg.) and Malcolm Mahone (7.6 ppg.). Two starters are back to leave Stephens confident—senior Leartha Scott (6-4, 20.7 ppg.) and junior Steve King (6-0, 7.0 ppg.). Other top scorers back are seniors Marshall Hill (6-10, 5.9 ppg.) and Mike Hanke (6-4, 3.6 ppg.) and sophomores Joe Fouts (6-4, 5.3 ppg.) and Marvin Chones (6-6, 2.5 ppg.). Newcomers are transfer Mike Mathews (6-7), who will be eli-

gible second semester, and freshmen Jim Hanke (6-3), Lonnie Lewis (6-8) and Lester Thompson (6-10). Overall, the Rangers will have excellent size and at least adequate depth and experience. Team strengths should be rebounding and shooting, while the only weakness may be three new starters in the lineup.

### Robert Morris

Here—January 24, 8 p.m.

**Thumbnail Facts:** Robert Morris College, Coraopolis, Pennsylvania; Affiliation—private; President—Dr. Charles L. Sewall; Athletic Director—Ken Mease; Sports Information Director—Ron Ieraci (phone 413/264-9300, ext. 201); Enrollment—4,000; School Colors—Blue and White; Nickname—Colonials; Conference—Independent, NCAA, ECAC; Home Court—John Jay Center (capacity 1,000), Pittsburgh Civic Arena (capacity 16,500).

**Coaching Staff:** Head coach, Tom Weirich (1st year); assistant coaches, Jack Fertig, Dave Merchant.

**Series Standing:** No previous games.

**Colonials Last Year:** Finished with a 22-6 record as a junior college. This will be their first season as an NCAA Division I member.

**This Year:** Robert Morris will be setting a precedent as the first new member in the NCAA to attain major status in its first year. Veterans making the transition from junior college basketball to the four-year level are junior Paul Jones (6-4, 10.5 ppg.) and sophomores Earl Cureton (6-9, 14.4 ppg.) and Larry Gordon (6-8, 8.3 ppg.). Four freshmen will round out the squad along with several sophomores. Overall, it will be a young team that Robert Morris will field in its first season as an NCAA member. However, it will have excellent size and quickness. They expect to feature a fast-breaking offense with strong rebounding.

### Cleveland State

There—January 27, 8 p.m.  
Here—February 14, 8 p.m.

**Thumbnail Facts:** Cleveland State University, Cleveland, Ohio; Affiliation—state university; President—Dr. Walter B. Waetjen; Athletic Director—Robert F. Busbey; Sports Information Director—Merle Levin (phone 216/687-4818); Enrollment—17,200; School Colors—Forest Green and White; Nickname—Vikings; Conference—Independent, NCAA; Home Court—Cleveland Public Hall (capacity 8,000),

Homer E. Woodling Gym (capacity 2,600).

**Coaching Staff:** Head coach, Ray Dieringer (7 years, W-52, L-123); assistant coaches, Tom McMahon, Larry Shyatt.

**Series Standing:** After an unbelievable 19-point comeback for a 75-73 home court victory, WSU swept the series last year with a 76-62 win on the road to take a 5-2 lead in the series. The Vikings are still the lone Division I school over which WSU holds a victory.

**Vikings Last Year:** The one bright spot in the 6-19 season was the play of center Dave Kyle (6-10, 24.5). His scoring average was 14th among all Division I players while he averaged 13.0 rebounds per game good for 9th. His outstanding play earned him all-America honors by Sporting News, Basketball Weekly and Citizens Savings Athletic Foundation.

**This Year:** Losses off last year's 6-19 squad were minimal—Larry Arthur (6.3 ppg.) and Ed Gholson (8.5 ppg.). The biggest hope of getting the Vikings back on the winning track is senior Dave Kyle (see above). Other returning starters are seniors Larry Croom (6-5, 13.3 ppg.), Joe Guilfoyle (5-11, 5.7 ppg.) and Charles Loving (6-6, 10.1 ppg.). Six other lettermen are back, but none scored over 4.0 points per game. It is with newcomers where the hopes of great improvement come. Freshmen recruits include Andre Battle (6-4), Robert Carman (6-7), Scott Rose (6-8), Ron Harris (5-10) and Eric Talmadge (6-6). Transfers are Greg Cobb (5-11), who becomes eligible in January, and Howard Bowling (6-5). Overall, a winning season will depend on how fast the newcomers progress. Improved shooting and defense are biggest needs.

### Youngstown State

There—January 29, 8 p.m.

**Thumbnail Facts:** Youngstown State University, Youngstown, Ohio; Affiliation—state university; President—Dr. John J. Coffelt; Athletic Director—Paul Amodio; Sports Information Director—Greg Sbaraglia (phone 216/746-1856, ext. 275); Enrollment—17,000; School Colors—Scarlet and White; Nickname—Penguins; Conference—Independent, NCAA; Home Court—Beeghy Center (capacity 6,000).

**Coaching Staff:** Head coach, Dom Rosselli (32 years, W-502, L-316); assistant coach, Roger Lyons.

**Series Standing:** No previous games.

**Penguins Last Year:** Coach Dom Rosselli was presented the 500th victory of his career and his Penguins finished the season with a

fine 17-9 record. This record becomes even more impressive when you consider that six of those losses were decided by a total of 12 points.

**This Year:** Youngstown State is very excited about the returning of all five starters—seniors Terry Moore (6-1, 5.8 ppg.), Bob Carlson (6-4, 9.0 ppg.) and Gary Anderson (6-8, 7.0 ppg.), and juniors Jeff Covington (6-7, 20.8 ppg.) and Gerald Parks (6-0, 12.4 ppg.). The most impressive of the crew has to be Covington who was named to three all-America teams—the National Association of Basketball Coaches, Converse and the Associated Press. Other returning lettermen are senior Tony Mitchell (6-3, 15.7 ppg.), who was a starter until he became academically ineligible, senior Mark Nickols (6-6, 2.0 ppg.) and sophomores Steve Taczak (6-5, 1.6 ppg.) and Robin Vincer (6-7, 1.8 ppg.). The top newcomer appears to be Steve Miodrag (6-5). Overall, Youngstown State has the size, quickness, experience and plenty of depth to achieve its goal of an NCAA Division II regional tournament berth.

### Eastern Illinois

Here—January 31, 8:10 p.m.  
There—February 26, 7:30 p.m.

**Thumbnail Facts:** Eastern Illinois University, Charleston, Illinois; Affiliation—state university; President—to be named; Athletic Director—Mike Mullally; Sports Information Director—Dave Kidwell (phone 217/581-2920); Enrollment—9,250; School Colors—Blue and Gray; Nickname—Panthers; Conference—Independent, NCAA; Home Court—Lantz Fieldhouse (capacity 6,465).

**Coaching Staff:** Head coach, Don R. Eddy (8 years, W-128, L-91); assistant coaches, C.W. "Bud" Scott, Kae Moore.

**Series Standing:** No previous games.

**Panthers Last Year:** A 15-game winning streak carried the Panthers to a third place finish in the NCAA Division II Championships with a 23-8 record. Eastern finished 16th in team defense in Division II with a 66.9 average. Senior Jeff Furry (15.3 ppg.) was the only player to average in double figures. Wins in the tournament were over Evansville, St. Joe's, Bridgeport and Old Dominion with the lone loss to UT-Chattanooga in the semifinals.

**This Year:** Veteran coach Don Eddy faces heavy losses in Jeff Furry (see above), Herb Williams (8.6 ppg.) and Brad Warble (9.2 ppg.). They accounted for the starting front line for the Panthers. Starters back are juniors Bill Patterson (6-0, 8.4 ppg.) and Derrick

Scott (6-0, 8.4 ppg.). Other letter winners back include seniors Rich Rhodes (6-2, 5.8 ppg.) and Steve Rich (6-7), who missed last year with a knee injury, juniors Jim Mason (6-10, 4.0 ppg.) and Charlie Thomas (6-2, 8.2 ppg.) and sophomore Eric Garrett (6-5, 5.7 ppg.). One transfer, Brad Farnham (6-7), could help the front line along with freshman Craig DeWitt (6-8). Overall, a trio of guards should give the Panthers excellent strength in the back court, but it is rebounding strength where the problems may exist. If Mason can develop more consistency, look for EIU to make another strong run for post-season action.

### Virginia Commonwealth

There—February 5, 8 p.m. (Franklin Street Gym)

**Thumbnail Facts:** Virginia Commonwealth University, Richmond, Virginia; Affiliation—state university; President—Dr. T. Edward Temple; Athletic Director—Charles Noe; Sports Information Director—Earl McIntyre (phone 804/770-6773); Enrollment—18,500; School Colors—Black and Gold; Nickname—Rams; Conference—Independent, ECAC, NCAA; Home Court—Richmond Coliseum (capacity 10,716), Franklin Street Gym (capacity 1,500).

**Coaching Staff:** Head coach, to be named; assistant coaches Harley Swift and Charlie Moses.

**Series Standing:** No previous game.

**Rams Last Year:** Winning seven of their last nine games enabled the Rams to finish with a fine 16-9 record. An offensive output of 85.5 points per game was a key to the season. VCU topped the century scoring mark six times during the season.

**This Year:** Missing from last year's squad are leading rebounder and scorer Tom Motley (18.4 ppg.), Tic Price (12.8 ppg.) and Keith Highsmith (6.5 ppg.). Three starters are back—senior Norman Barnes (6-8, 5.5 ppg.), junior Jerome Henderson (6-3, 16.8 ppg.), and sophomores Tony Holloway (6-7, 8.2 ppg.) and Lorenza Watson (6-9, 6.2 ppg.). Top newcomers look like Sylvester Ware (6-0) and Chip Noe (6-4), a transfer from Seminole Junior College. Overall, the Rams should have adequate size along the front line, but the guard positions could present a problem, especially in terms of depth and experience. A schedule that features the likes of Louisville, Oral Roberts, Tulsa and North Carolina-Charlotte will make equaling last season's record difficult.

## Franklin

Here—February 9, 8 p.m.

**Thumbnail Facts:** Franklin College, Franklin, Indiana; Affiliation—Baptist; President—Dr. Edwin Penn; Athletic Director—Stewart R. Faught; Sports Information Director—Brian Smith (phone 317/736-8441); Enrollment—715; School Colors—Blue and Gold; Nickname—Grizzlies; Conference—Independent, NAIA; Home Court—Spurlock Physical Education Center (capacity 2,000).

**Coaching Staff:** Head coach, Ed Thompson (8 years, W-98, L-88); assistant coaches, Bob Lovell, Jim Kaylor.

**Series Standing:** Wright State took a 3-0 lead in the series with a narrow 58-57 win at Franklin last year after soundly defeating the Grizzlies the year before at home.

**Grizzlies Last Year:** They finished with a 16-10 record overall and advanced to the finals of the NAIA tournament in Kansas City.

**This Year:** No information available from Franklin.

## Bellarmine

There—February 12, 8 p.m.

**Thumbnail Facts:** Bellarmine College, Louisville, Kentucky; Affiliation—Roman Catholic; President—Dr. Eugene V. Petrik; Athletic Director—James R. Spalding; Sports Information Director—Nanette Schuhmann (phone 502/452-8381); Enrollment—1,700; School Colors—Scarlet and Silver; Nickname—Knights; Conference—Independent, NAIA, NCAA; Home Court—Knights Hall (capacity 3,200).

**Coaching Staff:** Head coach, Joe Reibel (5 years, W-66, L-61); assistant coach, Bob Fields.

**Series Standing:** After last year's 71-64 WSU win, the series now stands at 3-2 in favor of Bellarmine. WSU has failed to win at Bellarmine in two previous games, the last being an 83-79 loss in '74-75.

**Knights Last Year:** Late season losses at Wright State and Kentucky State and a home loss to UT-Chattanooga may have cost the Knights a chance for an NCAA Division II berth with their 18-7 record. Some big victories were twice over Northern Kentucky and once at Kentucky Wesleyan.

**This Year:** The only loss coach Joe Reibel must replace is Jim Hall (16.9 ppg.). Returning starters are seniors Floyd Smith (6-0, 18.3 ppg.) and Dewey Minton (5-10, 11.7 ppg.) and juniors Chris Renfro (6-5, 12.1 ppg.)

and Jim Pentzer (6-7, 8.7 ppg.). Other top reserves back are junior Brian Bella (6-7, 2.4 ppg.) and sophomore Dwight Moore (6-3, 5.2 ppg.). Best newcomers look like Armand White (6-6), Joe Helmkamp (6-4) and Dan McCauley (6-3). Overall, plenty of firepower is returning for another excellent season. One problem is replacing Hall who was the leading rebounder at forward. The Knights should be strong at guard with adequate strength along the front line. An improved schedule will make a better record difficult.

## Kentucky State

There—February 19, 8 p.m.

**Thumbnail Facts:** Kentucky State University, Frankfort, Kentucky; Affiliation—state university; President—Dr. William Butts; Athletic Director—Dr. William Exum; Sports Information Director—Kenny Snelling (phone 502/564-5971); Enrollment—2,500; School Colors—Green and Gold; Nickname—Thorobreds; Conference—Independent, NAIA, NCAA; Home Court—Capital Sports Center (capacity 7,200).

**Coaching Staff:** Head coach, James Oliver (1 year, W-23, L-6); assistant coach, William Graham.

**Series Standing:** No previous games.

**Thorobreds Last Year:** A weak schedule enabled KSU to finish with a 23-6 record with a second-game loss in the District 32 NAIA tournament to Pikeville. The team finished 12th in Division II scoring (88.3), 1st in field goal percentage (62.4) and 6th in scoring margin (12.7). Gerald Cunningham was 40th in scoring (21.6), 2nd in field goal percentage (69.2) while Lewis Linder was 50th in scoring (20.3) and 3rd in FG percentage (67.1). Roy Smith was 7th in rebounding (15.4).

**This Year:** The only significant losses are Lewis Linder, who was drafted by the Boston Celtics, and Melvin Williams (7.1 ppg.). Starters back are seniors Gerald Cunningham (6-6, see above) and Roy Smith (6-9, 10.8 ppg.), junior Billy Ray Bates (6-4, 10.6 ppg.) and sophomore Johnny Mitchell (6-1, 9.1 ppg.). Other letter winners back are sophomores Melvin Crayton (6-6, 2.6 ppg.), Larry Moore (6-0, 0.8 ppg.), Kelvin Taylor (6-9, 3.5 ppg.) and Clarence Williams (6-8, 3.9 ppg.). Transfers are Damon Graham (6-3) and Alan Hunt (5-10) to go along with freshmen Michael Jackson (6-3), Carlos Lewis (6-8), Donnie Moore (6-2), Jerome Powell (6-3) and Charles Tyron (6-6). Overall, size is the biggest asset going for the Thorobreds along with a questionable schedule. There is plenty of depth and experience at all positions to carry KSU to another excellent season.
